For those particular people who desire a beautiful complexion and who want to keep the skin at its best all the time-keep it clear, flexible, smooth and give it the glow of health-there is nothing as good as A. D. S. Peroxide Cream, because it contains a small quantity of Hydrogen Peroxide, the great antiseptic healing and cleansing agent.

Its action upon a red, blotched, pimply, scaly, unsightly skin is very pronounced.

When used as a massage it has a tendency to eradicate wrinkles and to nourish the tissues. It is a mild bleach—perfectly harmless and will not grow hair.

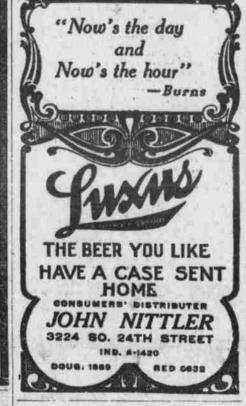

This is one of the leading preparations made by the American Druggists Syndicate, which is composed of 12,000 responsible druggists, and it is but one of the famous

A. D. S. Peroxide family. The others-equally as good, equally as beneficial and just as popular-are A. D. S. Peroxide Tooth Powder, which whitens, cleanses and preserves the teeth: A. D. S. Peroxide Tooth Paste for the same purpose, put up in a different form; A. D. S. Peroxide Soap, a very superior soap because it heals as well as cleanses; A. D. S. Peroxide Foot Powder, for tired, aching, burning feet, and last, but by no means of least importance, is A. D. S. Peroxide of Hydrogen, the great disinfectant and germicide now being used in so many homes. All of these A. D. S. preparations
